School Overview

Homebush State School is located within the bounds of Mackay Regional Council. The original school structure was built in 1889 and served a sugar farming community. More recently there is an ever increasing percentage of parents undertaking shift work for the mines as well as families moving out of Mackay to small acreage. The nearest town is Mackay, which is approximately 25km from the school. The school has an active Parents and Citizens' Association that has contributed enormously to the education of Homebush State School students.

Currently the school operates with three teachers. The current enrolment (2017) of about fifty-two children are taught in three multiage settings comprising Prep to Year 1, Years 2, 3 and 4 and Years 5 and 6. The personnel working at the school include a teaching principal, two classroom teachers, a LOTE teacher (part time), four teacher aides, an administrative officer and a cleaner/groundsperson.

Principal's Foreword

Introduction

Our school community is working together to provide an environment in which all students access quality learning experiences for rewarding futures. This document outlines our achievements for 2017, as well as the continuing areas of improvement we need to acknowledge. This document is made available to parents through our school website and on request from our school office.

Characteristics of the Student Body

Overview

Our students are primarily from farming backgrounds or live on rural acreages. They travel to Mackay or Sarina for sporting and cultural activities and in some cases, their parents were past students of the school. Our students travel to school by car and bus and, in 2017, only one student lived close enough to walk or ride to school.

Average Class Sizes

The following table shows the average class size information for each phase of schooling.

AVERAGE CLASS SIZES			
Phase	2015	2016	2017
Prep – Year 3	19	20	19
Year 4 – Year 6	19	23	12
Year 7 – Year 10			
Year 11 – Year 12			

Curriculum Delivery

Our Approach to Curriculum Delivery

The school is organized into three classes, P-1, 2-3-4 and 5-6, which each have their own separate classrooms. Delivery of the Australian Curriculum is most often achieved through the use of adapted Curriculum into the Classroom (C2C) units of work. All of our teachers have experience in the small school setting and are able to teach multi-age classes effectively by differentiating content. Chinese is delivered at school during LOTE lessons by a visiting specialist teacher once a week.

Co-curricular Activities

Students are offered a rich variety of academic, cultural, sporting, citizenship and social experiences at Homebush State School.

- Interschool sports
- School Camp for Years 4-6
- Student Council meetings and fundraising activities
- Weekly tuckshop
- Participation in Sporting Schools program
- Tennis and basketball lessons by qualified coaches
- Swimming lessons
- Chess Club and the opportunity to participate in Regional Interschool competitions
- Gardening Club

How Information and Communication Technologies are used to Assist Learning

Homebush SS has a fully equipped computer lab, comprising of a bank of laptops, interactive whiteboard and 3D printer. Additionally, each classroom has an interactive whiteboard to allow teachers to make the most of online resources.

Social Climate

Overview

Our school provides a safe, supportive and disciplined learning environment. Inclusive practices such as differentiation to meet the needs of diverse learners are at the heart of this small rural school where students are often in class with their siblings, cousins or neighbours. Homebush State School staff have a zero tolerance to bullying and the processes and strategies can be found in our Responsible Behaviour Plan.

Parent and community engagement

Parents are encouraged to take a high level of interest in their child's education and are involved in a number of ways including:

- Assisting in classroom activities
- Attending school parades and behavior rewards days
- Organising functions and supporting fundraising projects
- Attending monthly P&C meetings, social functions and school sports days
- Reading newsletters
- Helping their children with homework
- Fortnightly playgroup for pre-school aged children
- Attending parent-teacher interviews
- Displaying support for school policies regarding uniform, behavior management
- Consulting with the classroom and learning support teacher about the adjustments made for students with diverse needs

Respectful relationships programs

Each Friday morning, our school leaders lead a whole-school parade. They reinforce one of our school rules each week and describe the behaviours that students who are demonstrating *Being Safe, Being Respectful and Being Responsible* would engage in.

The school has developed and implemented a program that focus on appropriate, respectful, equitable and healthy relationships.

School Disciplinary Absences

The following table shows the count of incidents for students recommended for each type of school disciplinary absence reported at the school.

SCHOOL DISCIPLINARY ABSENCES

Environmental Footprint

Reducing the school's environmental footprint

At Homebush State School our community is conscious of the environmental impact the school makes. As a result, we utilize water tanks and solar panels to reduce our environmental footprint.

ENVIRONMENTAL FOOTPRINT INDICATORS		
Years	Electricity kWh	Water kL
2014-2015	30,040	
2015-2016	28,545	
2016-2017	30,011	

The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the Department of Education procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools* and *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism. School absenteeism and student attendance is a complex issue which includes a range of student behaviours including school refusal and truancy. Homebush SS reinforces the *Every day counts* messages in relation to non-attendance:

- All children should be enrolled at school and attend on every school day
- Schools should monitor, communicate and implement strategies to improve regular school attendance
- Truancy can place a student in unsafe situations and impact on their future employability and life choices
- Attendance at school is the responsibility of everyone in the community

At Homebush SS, manual rolls are marked before 9:00am each morning and sent to the office. The administration staff check the school absentee hotline and contacts any parents whose children's absence is unexplained. All unexplained absences are followed up with parents. Electronic roll marking completed at least every three days.

Homebush State School Absentee Hotline

Text or call the absentee hotline to explain the reason for the absence: holiday, illness, natural disaster, representative sport or another reasonable excuse.
