

# Investing for Success

## Under this agreement for 2022 Homebush State School will receive

**\$16,162\***

### This funding will be used to

- Ensure 85% or more students are receiving a C or better in English
- Enable teachers to gain a deep understanding of the Australian curriculum, so they can differentiate instruction for student success
- Build student capacity to be assessment capable learners

### Our initiatives include

- Provide intensive literacy support for students at risk of falling below a C in English.  
Evidence base: State School Improvement Strategy 2021-2025 Priority Success and wellbeing for all children and students as they transition through each stage of learning in an inclusive education system.
- Enable teacher planning days each term for teachers to gain a deep understanding of the “know” and “do” of each unit as part of pre and post moderation processes to ensure improved student success.  
Evidence base: State Schools Improvement Strategy 2022-2026 Priority: Continuous improvement in the access to, and teaching, learning and assessment of the Australian Curriculum.

### Our school will improve student outcomes by

- Employ a teacher aide for 8 hours per week to provide intensive literacy support to ensure that all students are engaged and improving. \$12,000
- Fund teacher planning days each term to enable teachers to develop deep understanding of the Australian curriculum through the use of pre and post moderation processes. \$4,162
